

**AQUARION**  
Water Company

*Stewards of the Environment™*

## How to request reimbursement

Aquarion Water Company is reimbursing eligible Dover, Massachusetts customers for weekly water purchases made after **September 1, 2023**, for discolored water issues in the Dover Main System. See eligible streets below.

To receive a reimbursement for your water purchases, please visit [aquarionwater.com/dover](https://aquarionwater.com/dover) and complete the online reimbursement form in its entirety, including an itemized receipt listing the dates, quantity, and the cost of the water purchased. The sum of weekly purchases may not exceed \$20.00.
