

## Water Supply Update

### *Serving the Communities of Millbury and Oxford*

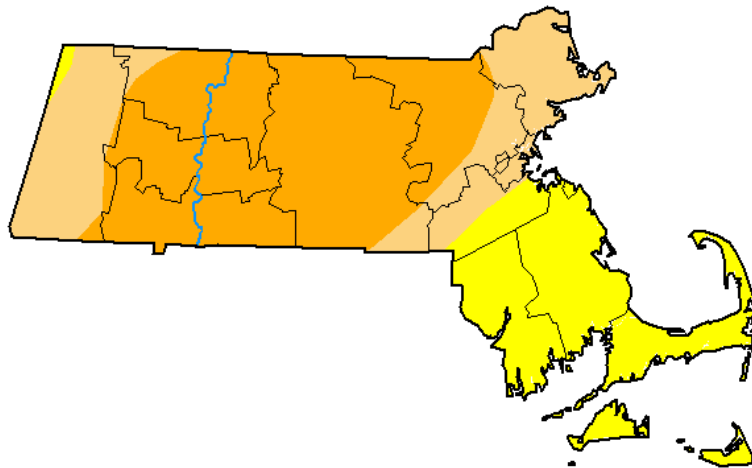

#### **Weather Trends/Outlook**

Precipitation totaled 5.02 inches in December. This amount was slightly more than the long-term average of 4.7 inches. This is close to the data from the last twelve months as Millbury/Oxford has had a little less precipitation than the average year. Millbury and Oxford are currently at Drought Level 2 – Severe Drought.

## U.S. Drought Monitor Massachusetts
