Dear Mr. Conn,

On July 31, 2026, the Massachusetts Department of Environmental Protection ("MassDEP") issued in writing Unilateral Administrative Order UAO-00023577, ("the Boil Order" or the "Order") to Andrews Farm Water Co., Inc. (the "PWS"). Based upon MassDEP's review of the actions taken by the PWS, MassDEP hereby terminates paragraph 6.A, which requires the PWS to provide notification to its consumers to boil their tap water before using it for purposes of consumption, or to refrain from drinking their tap water and using it for culinary purposes. This termination covers paragraph 6.A of the Order only. All other provisions of the Order shall remain in full force and effect.

If you have any questions about the contents of this Order, please contact Sean Griffin at sean.griffin@mass.gov (857) 354-0153.
